ARYAN MEWA

Integrated B.Sc.-B.Ed. (Physics)

Jodhpur, Rajasthan, India | +91 9358088525

aryanmewa22@gmail.com | LinkedIn Profile

PROFILE

Integrated B.Sc.-B.Ed. graduate-in-training at IIT Jodhpur with interests in scientific research, educational technology, and creative media. Experienced in experimental physics, educational project development, media production, and team leadership. Interested in combining science, creativity, and technology to develop meaningful learning experiences.

EDUCATION

Indian Institute of Technology Jodhpur **2024 – 2028**
Integrated B.Sc.-B.Ed. (Physics) CGPA: 6.20/10
Currently pursuing 5th Semester

Matrix High School, Sikar 2023
Class XII – Rajasthan Board (RBSE) 83.40%

Aakash Academy Sr. Sec. School, Jhunjhunu 2021
Class X – Rajasthan Board (RBSE) 95%

PROJECTS

Green Synthesis of Iron Oxide Nanoparticles Using Neem Leaf Extract

- Explored green synthesis of metal oxide nanoparticles using neem leaf extract and multiple metal nitrate precursors.
- Worked on extract preparation, controlled heating, magnetic stirring, filtration, and synthesis procedures.
- Analysed optical absorption characteristics using UV-Visible spectroscopy.

Gamified Educational Quiz Game – Scratch

- Co-developed a Scratch-based quiz game prototype designed to make learning engaging for primary school students.
- Designed gameplay, pixel-art visuals, AI-generated assets, character voiceovers, and menu interfaces.
- Contributed to initial programming and game development alongside Aman Raj and Herschelle Sharma.

Solid State Quest – Interactive Gamified Learning Platform

- Co-developed an online Teaching-Learning Resource (TLR) integrating gamification with interactive science education.
- Incorporated 3D simulations, a learning assistant, and interactive quizzes to support conceptual understanding.
- Combined digital interaction and game-inspired learning to create an engaging educational experience.

LEADERSHIP & EXPERIENCE

Assistant Head – Media **2026**
Prometeo, IIT Jodhpur Tech Fest

- Led and coordinated a team of 15+ volunteers for media-related activities.

Media Head **2026**
Varchas, IIT Jodhpur

Core Member
Frame-X Film Making Society, IIT Jodhpur

TECHNICAL & PROFESSIONAL SKILLS

Scientific: Experimental Physics, Laboratory Instrumentation, Nanoparticle Synthesis
Creative: DaVinci Resolve, Video Editing, Photography, Cinematography, Scriptwriting, Canva
Professional: Team Leadership, Team Collaboration, Creative Thinking, Project Management

RELEVANT COURSEWORK

Modern Optics, Fundamentals of Optics, Electronics, Electromagnetic Theory, Solid State Physics

ADDITIONAL INFORMATION

Languages: English, Hindi
Interests: Physics, Filmmaking, Photography, Technology, Education
